

LANCELIN SOUTH WATER	
	Preserved Supply Registration Form

Preserved Supply

If you require water for the use of a dialysis machine, other life support machine, or for a special need of another kind, please submit your details for us for registration on our preserved supply register.

In the event of a service interruption that will affect your supply address, we will give notice using the preferred contact details recorded, by any form of electronic means, or failing that, via post or delivery to the supply address.
